The Approach

What was the scope of their involvement?

A & H Solutions developed an AI medical scribe app and a marketing landing page for the app. The team also integrated the app with Athenahealth for provider-in-the-loop problems, diagnosis, prescription, and order drafting. In addition, A & H Solutions added sales pipeline automation. The team designed the app and iterated the design as part of the development process. A & H Solutions also provided ongoing support.

What is the team composition?

We worked with 2–5 teammates from A & H Solutions.

How did you come to work with A & H Solutions?

A & H Solutions was referred to me. I chose them because they were close to my geographic location, their pricing fit our budget, and they were a great culture fit.

How much have you invested with them?

We spent \$10,000–\$50,000.

What is the status of this engagement?

We worked together from November 2025–February 2026.

The Outcome

What evidence can you share that demonstrates the impact of the engagement?

A & H Solutions delivered the app, marketing page, and sales pipeline emails. We tracked the number of users onboarding the platform and the number of emails sent for sales. We started onboarding users from direct outreach.

How did A & H Solutions perform from a project management standpoint?

A & H Solutions delivered on time. We communicated via in-person meetings.

What did you find most impressive about them?

I was impressed with A & H Solutions' timely delivery and product quality.

Are there any areas they could improve?

I can't think of anything for A & H Solutions to improve.
